Seeking council opinion of frequency for issuing additional citations?

*\*Approval to cite the 15<sup>th</sup> and 30<sup>th</sup> of each month until issues fully resolved!*

**Brake Retarder Prohibition:** Borough Engineer Boyer advises following PennDOT protocol.

**Square Sight Distance:** PennDOT Study Report received. Summary: at the time the study was done no parked cars were obstructing the line of sight. However, following PennDOT protocol the borough still has the authority to make changes.

**Pothole Patching:** Mifflin Twp crew came out on Thursday 4/5, Areas Repaired: Entranceways at Schiano's and Marstellar's, NW First & Main, SW First & White Oak Sts.

**Road & Storm Drain Repairs**

**Pipe Video Inspection:** Residential Plumbing came out on Friday 4/6. for 2.25 Hrs.

- Drain Inlet Box & Pipe at NE First & Main: inlet box and a minimum of approximately 52' of galvanized pipe needs replaced. "High Priority"
- Covered over boxes at S. Chestnut & W. Market, and S. Second & Pine are stable for now. Pipes under Market are concrete and PennDOT's responsibility.
- Drain Inlet Box, Pipe & Outlet: S. Second & School "1<sup>st</sup> Priority"
- Outlet Ditch: West end of SW First Street "High Priority"
- Drain Inlet Box on E. Park Ave: crumbling, but with attention replacement can be deferred
- Drains at: N. Chestnut & Market Streets may be in State's right-of-way and their responsibility? If not they will need some attention this year to defer replacement.
- \* Drain Inlet Box & Pipe at NW (westside) First & Chestnut: main for NW quarter will eventually need replaced

Other Areas Needing Attention:

- S. First & Lykens, & series of holes at intersection of NW First & Lykens
- N. Lykens & W Market erosion at corner
- N. Second near Herb Mauser & NW corner of N. Second & Pine
- Areas at S. Second & Heller, S. Second & Pine, N. Pine & E. Market, N. Chestnut & W. Market
- \* Pipe & Drainage for sidewalk on Southeast side of square.

Sign Installation & or Replacements:

- Crosswalk Painting
- Crosswalks & No Parking Signs
- Reduced to 35mph signs: 2
- Street Name Signs
- Stop Signs: 11 near or at replacement condition
