Mayor’s report included the following: road patching – Collins was out two days and did some patching and will also paint the crosswalks; coordinate with Matt Stonerod from Elizabethville to install the posts only for the street and stop signs; received a call from Labor & Industry regarding the Dollar General building permit since borough opted out of the Uniform Construction Code (UCC) and should immediately cease and desist UCC enforcement activities (issuing building permits); certified letter was not sent yet to Joseph Shaffer regarding the broken window at his building; Vinny has removed some of the grass on his sidewalk; and Carol Walters’ grass needs mowed (letter will be sent).

The borough solicitor suggested that if the Community Center allows alcohol at events it should be put in the rental agreement. If an organization is serving alcohol at the Community Center, that organization would need their own insurance policy per the borough's insurance agent.

The borough solicitor sent Robin Snyder a tax map with the right of way at Dustin Whary's property listed and the roadway at this location is borough property.

A citizen complained about the fence at Crystal Scheib's property at S. 1st St. and Midland St. The fence was placed there for the safety of Crystal's horses. This is an unopened roadway but is still the borough right of way. No one can turn around in her driveway and would need to back onto the street.
