**BERRYSBURG-MIFFLIN TOWNSHIP
2019 HISTORY BOOK – FAMILY HISTORIES**

All Berrysburg-Mifflin Township Residents:

Berrysburg and Mifflin Township are preparing to celebrate their 200th Anniversary in 2019. The Bicentennial Committee is planning many activities and some events are already underway to make this celebration unforgettable for everyone. Our Historical Committee is working on a history book which will provide an update to the history book prepared in 1994 in conjunction with the 175th Anniversary.

The history book will have a specific section to provide the many families in Berrysburg and Mifflin Township an opportunity to give a brief history and current status of their families. Most families in the previous book need updated and we have new families in our communities that we would love to hear about as well. This is where we would greatly appreciate your help. We are asking you to provide us with a summary of your family. There are many things you can share about your family ... what do you think would be important to be included in our history book? Some interesting information to include may be the early history/genealogy of your family as well as an update from 1994 (if your family was in the last book), occupations, hobbies, activities, children, grandchildren, etc. Families new to the area since 1994 can provide a family history too. Family information doesn't have to be long or greatly detailed. Share with us what you would like to. We are excited to hear how families have grown over the years too! Remember, as a committee, we are especially interested in information after 1994. Perhaps, you would even like to gather your family together for a photo and to suggest what information should be included.

**** Please submit your information no later than November 15, 2018 ****

If you have any questions, please feel free to contact Gail Seiler (717-362-3822), Anna Burkey (717-979-3979) or Kay Kocher (717-265-4388). You can give your information/photos directly to them or mail to:

You can also submit information and photos via email to: Wendy Warner at wwarner@epix.net. Again, any information you could share will help to make our history book a success. We are counting on the members of the community to make it a valuable resource for the future – our communities have much to be proud of!!

Thank You!
